Woodcroft Community League was honoured November 19th at the Edmonton Federation of Community League's annual Showcase at the Italian Centre. We were honoured for all the hard work our Transportation Committee did in regards to traffic calming in Woodcroft. The plaque received will be placed on the wall in the hall next to the other award this committee received from the Alberta Centre for Injury Control. Congratulations Woodcroft Transportation Committee!

Are you an electrician, plumber, contractor, carpenter, roofer, interior decorator, designer, structural engineer, worksite project manager, building manager? WE NEED YOU! Our Community Hall is in need of some long overdue upgrades, and we are looking for residents with expertise in the above areas to participate on our Hall Maintenance Committee. Your role would be to provide advice and direction, as well as help us prioritize and coordinate approved upgrades. Meetings are held once every 4 to 6 weeks. Please consider volunteering.

STAY IN THE KNOW ABOUT SNOW!

You can find out when the City calls a bus route parking ban in several ways. Media announcements will be made, information will be on the City of Edmonton website, and postings will be made via the City of Edmonton's Facebook page and Twitter account. You can also sign up for free, confidential email notification by visiting www.edmonton.ca/winterroads and clicking on 'Subscribe to Roadway Alerts.'

Information on residential street clearing will be available through the City of Edmonton's website via our new interactive map. By visiting www.edmonton.ca/winterroads and clicking on 'Residential Snow Plowing Schedule,' you can select the Snow Clearing Map tool and enter your address. The system will then give you an exact date that work will start on in your area.

For those without computer access, the same information about parking bans and residential street maintenance can be accessed by calling 3-1-1. You can also advise 3-1-1 about specific issues of concern related to winter road maintenance and that information will be forwarded to the appropriate department.
