- get your face painted,
- play games,
- complete a building project from kits provided by Home Depot,
- take in the science demonstrations put on by the Telus World of Science,
- bring baseball equipment for a pick-up baseball game for the whole family,
- weather permitting, bring swimwear and enjoy the slip and slide,
- check out the information tables set up by various organizations in the community,
- take the opportunity to get your Woodcroft Community League membership,
- check out planned community league activities and find out how you can help in our success.

You will find a detachable **WOODCROFT COMMUNITY LEAGUE DAY PASSPORT** at the back of this page. Get your passport stamped at the various locations shown on the passport and bring it with you on September 18th. Passports can be entered into a draw.
